

TRANSITION PLAN FOR ONE-YEAR-OLDS TO TWO-YEAR-OLDS

This group transition plan is appropriate when an entire classroom will transition from a One-Year-Old Class to a Two-Year-Old Class.

Kentucky's Child Care Regulations state that children who are toddlers (under 24 months of age) must not be blended with older children for care. It is our belief that children are more successful when they are allowed to remain in the same room with their friends, as opposed to being promoted one at a time into a new classroom.

As the children enrolled in our One-Year-Room celebrate their second birthdays, our staff will ensure that the classroom is continuously updated so that programming and equipment is age and developmentally appropriate for each child in the group. Instead of promoting your child to a new classroom on their second birthday – we will remain as a group for this school year. In just a matter of months our One-Year-Room will transition to the Two's Room! We believe this is the best setting for your child and look forward to a wonderful year.

Please complete the release acknowledging that you understand our plan for transitioning the One-Year-Old Room to the Two-Year-Old Room and believe it would be the correct placement for your child.
