

Certified Home Ratios

922 KAR 2:100 Certification of Family Child-Care Homes
Section 10. Standards for the Provider.

The maximum number of unrelated children in the care of a certified family child-care home provider shall not exceed six (6) at any one (1) time. A provider may care for four (4) related children in addition to the six (6) unrelated children for a maximum child care capacity of ten (10) at any one (1) time.

A provider shall have an assistant present if the provider cares for more than four (4) infants, including the provider's own or related infants; or six (6) children under the age of six (6) years old, including the provider's own or related children.
